## Aqara D100

### SMART DOOR LOCK ZIGBEE

The Fully Automatic Lock  
Has Been Redefined.

### 98.6% RECOGNITION RATE

Knows you well, and protects you well. Precise Biometrics technology effectively rejects false fingerprints for safety.

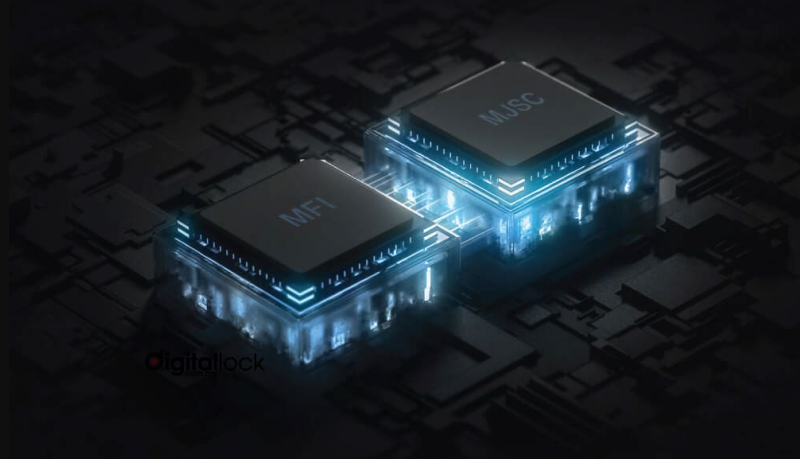

3D PRECISE BIOMETRICS

3D semiconductor fingerprint reader with sapphire coating, for better durability.

### SECURITY ENCRYPTION

Equipped with Apple and Xiaomi dual security chips, communication encryption is more reliable.

### QUALITY INSPECTION

500,000 times Fingerprint reader durability test.  
100,000 times click durability test.  
-10~55°C Operating Temperature.

### AESTHETICS

The unibody made of glass and metal incorporates the best build quality we can offer.

### SUSTAINABILITY

Nano coating makes it resistant to high temperatures and increases durability.

### RECHARGEABLE BATTERY

Detachable battery is more sustainable, long-lasting, and can be charged via USB-C port.

### WORK WITH APPLE KEY

By supporting the Apple Key, it allows you to open the door with your iPhones and Apple Watches. Just hold the device close to the door lock to open the door.

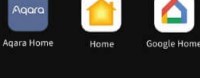

You can add family keys or share access with others to Apple Wallet using the Home app on your iPhone.

\*Aqara Zigbee 3.0 hub is required

### ECOSYSTEM SUPPORT

Apart from Aqara Home, D100 Zigbee is designed to work with HomeKit including the newest Apple Home Key feature, and also supports unlocking via Google Assistant or Google Home app.

**Fully-Automatic Lock Body**  
Superfast and effortless opening without pushing the handle.

**Extra Convenient Remote Control**  
Real-time remotely unlock or configure remote passwords for rentals or hotels.

**9 Unlock Methods**  
Solutions for all members and all scenes of coming home.

**Wide Ecosystem Compatibility**  
Can be unlocked using HomeKit (incl. Home Key) and Google Assistant.

**Real-Time Status Monitoring**  
Monitor the door lock status and send notifications to your phone.

**Supports the Majority of Doors**  
Door thickness of 40-120 mm as well as stylish pull handle doors are supported.
